Press Release

Glen Cove Waterfront Park Dedication

The Greater Vallejo Recreation District announces the dedication of Glen Cove Waterfront Park on June 16th, at 11:00am, located along Carquinez Straits. The park is an important juncture of three important regional trail systems the San Francisco Bay Trail, Bay Area Ridge Trail and The Great California Delta Trail. The park construction was made possible through a Cultural Conservation Easement with the Yocha Dehe tribe and funding from the California Coastal Commission and California State Lands Commission. The San Francisco Bay Trail when completed will pass through 47 cities, all nine Bay Area counties, and cross seven troll bridges. This section of the Bay Area Ridge Trail becomes part of the 38.5 mile Ridge Trail Carquinez Strait Scenic Loop. The Great California Delta Trail was authorized under Senate Bill 1556 (Torlakson) to establish a continuous recreation corridor, including bicycle and hiking trails, around the Delta. The park amenities include trails, waterfront access, picnic tables and benches and wonderful views of the Carquinez Straits. The 11:00am dedication will be followed by tours of the park and hikes along the trails.
